

Alaska Health Literacy Summit:

# Working Together to Improve Health

November 5, 2016, 8–4:30

Providence Alaska Medical Center

3200 Providence Dr., West Auditorium, Anchorage, AK

A summit for health care professionals and community members: Learn evidence-based communication tools that improve health outcomes and quality of care.

## Featured Speaker: Cliff Coleman, M.D., M.P.H.

Recognized as a national expert in the field of health literacy, Cliff is a practicing physician and faculty member at the Oregon Health & Science University (OSHU) School of Medicine.

Presentations:

- Improving Outcomes through Advances in Patient-Centered Communication
- Health Literacy Strategies to Support Health Across Populations
- Clear Communication Skill Development

## Additional interactive learning sessions include:

- Bridging Culture and Health Literacy (Anne Musser, D.O.)
- The Engaged Patient (Thad Woodard, M.D.)
- Finding Good Health Information (Kathy Murray, M.L.S.)
- Health Literacy: A Call to Action (Polly Smith, M.Ed)

Register online: <https://aktclms.org/Training/Class/101610>

- \$60: Registration Fee (Non-student/Non-Senior)
- \$30: Student and/or Senior (age 55+) Fee
- \$15: Fee for Continuing Education (if needed)

Refreshments and a \$5 lunch card are included in the cost of registration (all categories).

If the cost of registration is a barrier, and you want to attend this event, training access funds are available. Email [rain@alaskachd.org](mailto:rain@alaskachd.org) or call 907-264-6281 to apply for a registration fee waiver.
